

UPDATE: Isle of Wight commissioned services 2018

Contracts have now been made available for providers to declare an expression of interest in.

Please read the attached linked CPSC news article for more information on the new processes required to be followed this year by the CCG and Public Health commissioners.

There are two separate distinct processes that need to be followed & completed for the two Isle of Wight commissioners of services.

Please ensure you understand which service is commissioned by which commissioner.
