

Dear Colleague

Are you working with a new Pre-registration Pharmacist or is one just about to join your team? Please forward this message to them and attached a letter which explains how they can access the many CPPE resources free of charge to support them in their Pre-Reg.

[Pre Reg letter 2019 - Hampshire & Isle of Wight.docx](#)

Please do encourage them to attend a local event as this will allow them to demonstrate competencies to the GPhC and network.

Why not attend with them?

Dementia Focal Point

This programme will help you develop your role in the early identification of dementia and to recognise signs and symptoms of its different types, while helping you to deliver improved outcomes and signposting.

20 January 7.30-9pm Inn Lodge Portsmouth PO3 5HH Booking reference 49251

11 March 7.30-9pm The Bargeman's Rest Isle of Wight PO30 5BS Booking reference 49221

24 March 7.30-9pm Rose Road Association Southampton SO16 5NA Booking reference 49222

Depression

Attending this workshop will help you to develop confidence in engaging in person-centred discussions with people with depression. You will work with peers from different sectors of pharmacy to discuss the treatment options available to meet the individual needs of the person living with depression.

23 October 7.30-9pm Kings Community Church Hedge End SO30 4BZ (Just off Junction 7 M27)

Booking reference 49184

Inhaler Technique: improving outcomes

This programme has been developed for healthcare professionals providing advice to people using inhaled medicines, to optimise their inhaler use and improve outcomes. It will consider the different types of inhaler devices available and how the aerosol is made in each type, the breathing technique required for each type of device and the potential implications of poor technique.

4 March Kings Community Church Hedge End SO30 4BZ (Just off Junction 7 of M27)

Booking reference 49249
