What we do:

- We provide an **additional way** for staff who are employed or engaged to speak up with concerns, issues and suggestions
- We always **ask permission** before recording information or taking action
- We have **clear escalation processes** for any issues to protect patients and staff
- We offer **24/7 independent, strictly confidentia**l and non-judgemental support
- We **support individuals** to decide on their choice of resolution, including informal and formal routes, facilitated meetings and confidential escalation
- We respect your **privacy and confidentiality**
- We hold **meetings virtually or in person** on or off-site, or by phone or email
- We support an open and honest culture **within your organisation**
- We can **facilitate meetings as** long as all parties agree to it
- We have **dedicated and diverse** Guardians with the experience to support you

What we do not do:

- We do not provide legal advice
- We do not provide mediation
- We do not provide counselling
- We do not provide psychological advice
- We do not tell you what to do
- We do not undertake investigations
- If you are already involved in a formal process with your organisation we cannot provide legal advice or advocate for you, but we can provide support with concerns
