

CPSC Academy Programme 2018-19

Community Pharmacy South Central Academy organises development events for pharmacy professionals. It provides an open invitation to those working in the Southampton, Hampshire, Isle of Wight & Portsmouth areas to participate in 4 organised events each year; each one available at 5 different locations each quarter.

Quarter 4 – Mental Health & Wellbeing

Why should you attend? Please consider this...

Teaser 2:

What role can you play in supporting the mental health and wellbeing of those you work with and the people who come into your pharmacy?

How do you identify someone who needs support for their mental health?

How might you approach the topic with them?

These are all important questions for people working in our pharmacies.

Are you confident in recognising signs, listening, understanding the issues and answering questions?

What would you do that puts the person at the centre of their decision-making and enables them to make positive choices?

Book-in to your nearest event using the Eventbrite link on the [CPSC Training & Development webpage](#).

Whilst on our website, please look around at other interesting events happening in your area.

Please direct any queries you have to admin@cpsc.org.uk

CPSC Academy replaces the previously run local pharmacy groups that were organised by local group leads and supported by Hampshire & Isle of Wight LPC.
