

CPSC Academy Programme 2018

Community Pharmacy South Central Academy organises development events for pharmacy professionals. It provides an open invitation to those working in the Southampton, Hampshire, Isle of Wight & Portsmouth areas to participate in 4 organised events each year; each one available at 5 different locations each quarter.

Quarter 2 – Having Healthier Conversations

Why should you attend? Please consider this...

Teaser 4:

“I know my blood pressure is high, it’s in the family” says a woman who is overweight ...

“My cholesterol is much higher than it should be, but I love cheese” says a middle-aged smoker on statins ...

“He doesn’t like using condoms” says a young woman in for EHC ...

These are all very familiar scenarios in our pharmacies.

How would you respond in a way that puts the person at the centre of their decision-making and enables them to make positive choices?

Book-in to your nearest event using the Eventbrite link on the [CPSC Training & Development webpage](#).

Whilst on our website, please look around at other interesting events happening in your area.

Please direct any queries you have to admin@cpsc.org.uk

CPSC Academy replaces the previously run local pharmacy groups that were organised by local group leads and supported by Hampshire & Isle of Wight LPC.
