

## Dear Colleague

## 'Walk In My Shoes' Engagement Events

Following on from the establishment of Primary Care Networks and the announcement of the new GP and Pharmacy Contracts, NHS England South (Wessex) Pharmacy Local Professional Network is inviting all pharmacies and GP practices to participate in a 'Walk In My Shoes' project (WIMS). To help familiarise yourself with WIMS we encourage you to attend one of the engagement events being delivered this autumn.

At these events you will have the opportunity to learn more about the WIMS toolkit and network with colleagues. You will get most benefit from attending the meeting that has the greatest relevance to the geography of your PCN but, if that is not possible, please feel free to attend elsewhere.

The engagement events will have a hot buffet available from 6.45pm with the presentations starting at 7.30pm:

Registration needs to be made through the Eventbrite link (use the link below to the event you wish to attend to book-in to and reserve your place)
